## Maximus Residence

Maximus Residence is Italian by nature in every way! It is located steps away from Colosseum, just in the city centre. The Maximus Residence offers a regular cleaning service, internet connection, and air conditioning/heating. During the Fall semester, the Maximus Residence is an entirely alcohol free residence building and houses a number of freshman students. The unique combination of ancient ruins and baroque architecture coupled with modern day political, religious and cultural activity, makes Rome and Maximus Residence an intriguing and stimulating place to study with a flavour all of its own.
