Dear VET Learners,

Italian Hospitality School announces the call-1 for the participation in the competition in the Erasmus in vocational education and training Project KA1 2021 "Mobility of learners and staff in vocational education and training" with project 2021-1-IT02-KA122-VET-000017760 for Long-term learning mobility of VET learners (Erasmus Pro) and Short-term learning mobility of VET learners **during the period from 1ˢᵗ September 2022 to January 31ˢᵗ 2023.**

Please prepare your application form and other attachments to participate in the competition and send to the email study@hoschool.it **by August 22, 2022.**

The objectives of the Erasmus Adult Education Project and the Call-1 are:

1. Improving intercultural communication competences. More than ever, learners and VET professionals must be trained to work with partners across cultural and national borders. To adequately prepare each student for future challenges, educators must develop strategies to assure not only the mastery of abilities in functional areas of hospitality industries, but also the command of intercultural communication competences.

2. Effective use of modern technologies in hospitality and improvement of professional skills, for learners and VET professionals, they will learn how to use Hotel Management Software "OPERA PMS".

3. Developing usage of the foreign languages in vocational education environment. Foreign language skills (especially English language proficiency), is always the most important prerequisite for finding a job in the hospitality sector, hospitality professionals are required to be able to use foreign languages fluently (first of all, English).

4. Strengthen Italian Hospitality School collaboration and networking with international labour markets, stakeholders involved for life-long learning activities, research and dissemination;
